

FREE Vaccines for LIFE!

At Mountainview Small Animal Hospital we believe it is important for every pet to have a complete Wellness Examination every year.

So here's an incentive to get your pets in to see us for this important annual exam: After a one-time enrollment fee, you will never pay for your annual booster vaccinations again!!! This represents a huge lifetime savings!

How it Works:

You can enroll your pet at any time--current clients are welcome to sign up as well! There is a one-time, non-refundable enrollment fee for both the puppy/kitten and adult dog/cat programs. Each enrollment fee will cover one pet, and once enrolled, included vaccines from the list below will be administered free for that pet's lifetime, as long as the terms and conditions of the agreement continue to be met.

***Included in Dog Vaccine Program:** RABIES, Distemper/Parvo Combination, Corona Virus, Leptospirosis and Bordetella

*** Included in Cat Vaccine Program:** RABIES, Feline Upper Respiratory/Distemper Combination and Feline Leukemia Virus.

One Time Enrollment Fee:

Adult Pet FREE Vaccines for LIFE Program.....\$105

Puppy/Kitten FREE Vaccines for LIFE Program.....\$135

The earlier you enroll your pet, the more you'll save.

To keep the agreement valid, bring your pet back to Mountainview Small Animal Hospital each year for a regularly-priced Wellness Examination within 30 days of the annual anniversary of the initial enrollment Wellness Exam.
